LETTER OF SUPPORT

To Whom It May Concern,

I'm writing on behalf of the Middleborough Rotary Club to express our support for the Soule Homestead Education Center's request for funding. For over 20 years the Soule Homestead Education Center has been a valuable asset to the community of Middleborough and the surrounding area. Every year thousands of people, young and old, benefit from a variety of educational activities and family events.

In the near future restoration work will begin on some of the historic buildings on the property. As you may know, this work is costly and time consuming but absolutely essential to preserving the character of this historic property. Given the proven track record of this organization, I'm sure all funds will be used wisely and for the good of the community.

Should any further information or reference be necessary, please do not hesitate to call or write.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Morgan Bruce".
