Application for Community Preservation Funding

GUIDELINES

C. Use of Funds and Leveraging Other Support

1. The Community Preservation Act is statewide enabling legislation to allow cities and towns to exercise control over local planning decisions. CPA monies are public funds raised from dedicated Middleborough tax revenues and State subsidies to the Town. Projects financed with CPA funds must comply with all applicable State and Town requirements, including the Commonwealth's procurement laws, which require special procedures for the selection of products, vendors, services, and consultants. Contracts for goods and services must be awarded to the lowest qualified bidder. Project purchases cannot be split to avoid State procurement laws.
2. CPA funds may not be used to cover ongoing applicant costs of operations and salaries that are typically supported by the applicant's annual operating revenue. Such costs for activities directly associated with the proposed project may be listed in the budget as in-kind services.
3. CPA funds may not be used for maintenance.
4. Funds may be spent only on items listed in the submitted proposal budget. All changes to budgets must first be approved by the CPC.

CPA funds may not be used to supplant current spending or previously approved funding commitments, including but not limited to municipal capital improvement funds, general operating funds, bonds, grants, and loans.

5. Based on the availability of funds, proposals that may otherwise merit full funding may be recommended for lesser amounts. Under such circumstances, the CPC will give higher priority to funding fully those proposals that include significant funds from other public and private sources. Proposals identified for lesser funding will be considered for recommendation to Town Meeting if the project sponsors demonstrate a willingness and ability to raise the additional funds from other sources within a reasonable period.

Unless specifically exempt under Massachusetts public records law, the Town has the right to disclose information contained in proposals.

STEP 4: CPC REVIEW, PUBLIC HEARING & RECOMMENDATION

a. Application Review:

The CPC will review the submitted application to determine whether:

- Application is complete;
- Proposed project is eligible for CPA funding;
- Proposed project meets the Evaluation Criteria requirements; and
- Proposed project is sufficiently developed in terms of the work plan and merits further consideration.

The applicant will be notified if additional information is required. Failure to respond in a timely manner will eliminate the proposal from consideration. The CPC may ask to meet with the applicant or its authorized representative at a CPC meeting. It also may request a site visit.

The applicant’s successful selection will be based upon an evaluation of the information and materials submitted.

The CPC reserves the right to recommend funding of a project, in full or in part, and to impose specific conditions and restrictions. It reserves the right to reject any and all proposals if it believes that such rejection is in the best interests of the Town of Middleborough.

b. Changes or Withdrawal:

A submission may be modified, corrected, or withdrawn only by written notice and received by the CPC at least 7 days prior to the public hearing held before the upcoming Town Meeting. The notice must reference the original proposal.

c. Public Hearing:

Applicants chosen for consideration will be given an opportunity at a public hearing to present the project and respond to questions from the CPC and the public. Applicants or their representatives must be present.

d. Final Recommendation:

Following the public hearing, CPC will notify the applicant in writing if its project is to be recommended to the next Town Meeting. The recommendation will be contingent upon satisfaction of any grant conditions that have been identified by the CPC and in accordance with the Grant Disbursement Schedule as submitted by the applicant and approved by the CPC. The CPC will draft

an appropriate warrant article; the applicant should expect to assist the CPC in preparing project information and the presentation.

The CPC will make its final funding recommendations in the form of the warrant articles to be voted on at Town Meeting.

Final recommendations for Town Meeting are expected to be completed **by February 1st of each year**. Although the CPC makes recommendations, Town Meeting must approve the appropriation for a project to receive funding. All applicants will be notified in writing as to the status of their applications by **February 15th of each year**.

STEP 5: TOWN MEETING APPROVAL

Town Meeting has the final authority to award funds from Middleborough's Community Preservation Fund. A majority vote is required to approve funding; a two-thirds vote is required for borrowing. An applicant or its authorized representative of a project being recommended will be required to attend Town Meeting to respond to questions and/or present information.

STEP 6: FUNDING AWARD

Applicants will be notified in writing as to the status of their application within 2 weeks after the end of the Town Meeting.

Funding for approved projects will be available following completion of the annual town meeting and subject to satisfaction of all conditions for funding established by the CPC in a Grant Award Letter and Grant Agreement.

Funds are awarded on a disbursement basis according to the Town of Middleborough's Purchasing/Procurement Policy, the Award Letter, and the Grant Agreement. CPA funds may not be used to reimburse a successful applicant for any expenses incurred before the date of the Award Letter. All plans, specifications, and other documents resulting from this contract shall become the property of the Town of Middleborough.

Project milestones will be established for all approved projects and will guide the release of funds. Periodic Status Reports will be required according to a schedule set forth in the Grant Agreement.

A Final Narrative and Financial Report will be required to be submitted and approved by CPC prior to the final disbursement. A report shall be submitted identifying resources for continued maintenance of the project.
